**Subject:** San Joaquin Valley PM2.5 Plan - Motor vehicle emission budgets posted to OTAQ webpage of budgets under EPA adequacy review

Hello Nesamani, Scott, Rodney, Lucas, and Alex,

I hope this note finds you well. Just FYI, on June 18, 2019, EPA posted the motor vehicle emission budgets in the San Joaquin Valley PM2.5 Plan (received 5/10/2019) to our OTAQ webpage of budgets under EPA adequacy review: <https://www.epa.gov/state-and-local-transportation/state-implementation-plans-sip-submissions-currently-under-epa#san-iv-ca-2012>

We have a listing for each of the three PM2.5 NAAQS in anticipation that we may do one rulemaking for each NAAQS. We'll be in touch in due time as we review the budgets and work towards our first proposed rulemaking.

Please let me or Karina know if you have any question. All the best,

Rory
